

Downtown Construction Activities

Proposed work activities for the week of August 1st, 2021

- The contractor at the Generals Bridge project will continue installing new vertical granite curbing along the roadway and masonry veneer at the concrete plinths. The Thomas Burgin Parkway north bound lane on the west side adjacent to the bridge remains closed. Traffic is reduced to one lane in either direction with the concrete barricades on the sides. Vehicular traffic should use caution when entering this area.
- At the McConville Way project the contractor will finish construction of the catenary lights, dumpster enclosure (alleyway), and roadway pavement markings. At the future pocket parks, the contractor will finish fountain testing, setting security cameras, and install Wi-Fi transmitters.
- Work continues along the face and above the existing 25 Temple St building for the new structural steel that will support the future addition. Currently, the sidewalk along Temple St at the building remains open during construction.
- Beginning Wednesday, August 4, 2021 Hancock Street will be closed to thru traffic for paving work from School Street to Granite Street. Work will commence at 4:30 am on Wednesday to begin the grinding of the roadway, this work should be completed by 4:00 pm. Paving will begin Saturday, August 7, 2021 at 5:00 am and should be completed by 11:00 am, Please follow detour signs during construction. **Vehicle parking will be restricted from this roadway beginning Tuesday August 3, 2021 at 11:30 pm.** The road will be open for emergency vehicles, buses, and deliveries. Please see the attached construction notice flyer for additional information.

(The photo on the above left shows an ariel view of the northern section of McConville Way as it meets Granite St. The above right photo shows the contractor applying the finish coat of paint on the newly installed hydrant.)
